**Charon Problem Survey:**

Have you had any problems with your family?

Nope, nothing new there.

Have you had any problems with your significant others?

Happier than ever, we're just about to get married.

Have you missed work or lost your job?

I did miss work once, I somehow fell onto my face and had to go to A&E. And then as I was leaving A&E I fell onto my face again and had to go back in, which was very inconvenient.

Are you feeling happy or sad?

Really happy - like I said we're about to get married.

How many hours sleep have you had in the last week?

6-8 hours.

Anything else to report?

Not really, except every time I stand up I feel like I'm on a boat in rough weather - but I've got better at not falling over now.
